## Arts Project Australia's Programs of Support

Arts Project Australia supports artists with intellectual disabilities through our Northcote studio program, online Satellite Program, and gallery, promoting their work and advocating for their inclusion in contemporary art practice. Arts Project facilitates Programs of Support to help artists achieve visual art and community inclusion goals, such as building their art practice and supporting employment as an artist.

Arts Project Australia operates for 48 weeks each year. Programs of Support are 24-week programs. Each Program of Support includes 22 face-to-face weeks and 2 non-face-to-face weeks.

## Core Support – Group Activities

The support items in this category assist NDIS participants in accessing community, social and recreational activities provided in a group setting, either in the community or in a centre. These support items are subject to price limits. As well as direct service provision, Core Support can be used to claim cancellations and absences.

## Core Support - Specialised Supported Employment

This support item is for artists enrolled in the Weekday Professional Program who receive assistance to further their art careers. This includes gallery representation. The gallery promotes the work of its artists through the gallery and national and international exhibitions, art prizes, and awards. The gallery manages each artist's Artist Biography and Curriculum Vitae; many public and private collections hold their artworks. The gallery arranges portfolio viewings and exhibitions and manages the sale of artwork.

## Centre Capital costs

The Centre Capital Cost helps us to run and maintain our studio and building.

## Non-face-to-face support

These hours support Arts Project Australia to develop your creative goals and talk to you about your ideas and your progress. These hours also support the operation of the studio relating directly to your art practice. Non-face-to-face support will be displayed on your Service Schedule.

*Arts Project is a Registered NDIS Provider. Organisation ID: 4050002873.  
NDIS Supports are GST free. Annual NDIS Quotes are based on a 48-week attendance.*
