ACKNOWLEDGE ME showcases the unstoppable abundance of the practice of APA's Adrian Lazzaro, based around his epic scrapbook collection. It combines the elegant punk materiality of Adrian's work with the electric free-jazz hum of Will McConnell's sizzling texta drawings, the eerily endearing gloopy charm of Matt Gove's Ghostbusters ceramics, and an emergent echo upon the windows by inimitable fan artist, Katherine Botten.

Curl up in the soft area and immerse yourself in the biting social commentary of Lazzaro's tactile scrapbooks. Expect utmost relevancy; Mr Bean, National Scissors Day, Communist Tissue Boxes, Stigmardi-gras, and much, much more.

Arts Project Australia respectfully acknowledges the Wurundjeri people of the Kulin Nation, the traditional custodians of the land on which we meet, exhibit and create art.
