John Bates is an established painter whose striking,
delineated compositions are characterised by flat
planes and vivid colour. Through the use of a minimal
palette emphasising the two-dimensional surface, the
work plays with ordinary perception of landscapes and
seascapes. His process involves creating a dense
surface by applying thick layers of acrylic colour.

Mind's Eye presents a collection of Bates' 2018 and
2019 iconic landscapes that are of this world, yet
ethereal in their conceptual and bold representation.

—

Bates has been a regular artist at Arts Project Australia
since 1990 and has presented two solo exhibitions at
Arts Project in 2000 and 2006. He has been featured
in numerous group exhibitions at Spring 1883, 2017-
2019; Melbourne Art Fair, 2000-2014; Home Sweet
Home: Works from the Peter Fay Collection, National
Gallery of Australia touring exhibition, 2004-2005;
Pacifica, Galerie Impairé, Paris, 2010; and Art des
Antipodes, MADMusée, Liège, Belgium, 1996.

Public collections include the National Gallery of
Victoria and Broken Hill Regional Art Gallery. His work
is also held in national and international private and
corporate collections.
