ARTS PROJECT AUSTRALIA IS PROUD TO PRESENT

Love & Humour in the Time of Everything

***Love & Humour in the Time of Everything* heralds the first online exhibition following the temporary closure of Arts Project Australia until 14 April 2020. We remain in solidarity with our community, recognise the important role art plays during social hardship and are eager to stay engaged and accessible.**

Love and Humour in the Time of Everything presents a collection of works that waver between amusement, affection, wistfulness and the comfort of the ordinary.

Inscribed in the work are the absurd, vulnerable, cheeky truths of human existence. The collection reveals perhaps one of the most the innate qualities of an artist - the ability to be sensitive to the nuances of emotional states and to continuously demonstrate connection, support and affection though visual language.
