Material World

Arts Project Australia respectfully acknowledges the Wurundjeri people of the Kulin Nation, the traditional custodians of the land on which we meet, exhibit and create art.

Unless otherwise stated, all artworks are for sale and can be purchased at Collingwood Yards, or by emailing the gallery team at gallery@artsproject.org.au.

Prices quoted are unframed and don't include framing or shipping fees.

- 60% of sales go to the artists
- 40% of sales go to APA to support the studio and artists

Purchased artworks are available for collection from Collingwood Yards after the close of the exhibition.

The tactile multi-dimensionality of this exhibition references personal worlds created in response to physical surroundings. The artistic practices and works displayed testify to the movement between – and stark transition from – idea and concept to visceral threads and textiles to represent corporal curiosity, sexual politics, the home, possessions, consumerism, and the imaginary world.

Featuring Fulli Andrinopoulos, Dorothy Berry, Matthew Gove, Bronwyn Hack, Adrian Lazzaro, Anne Lynch, Lisa Reid, Mark Smith, Chris O'Brien, Rosie O'Brien and Terry Williams.

Co-curated by Peter Douglas and Jodie Kipps.
