Arts Project Australia

This is an Easy Read resource  
about the Online Program at  
Arts Project Australia

Arts Project Australia has an online art program.

This program is a great way to make art at home.

You can join this program at home using a computer.

You will need a video platform called Zoom installed on your computer to join the sessions.

The staff who run the online program are all artists who have studied art.

This means they know a lot about art.

They will share what they know about art with you.

You can make all types of art in the online program.

**You can paint.**

**You can draw.**

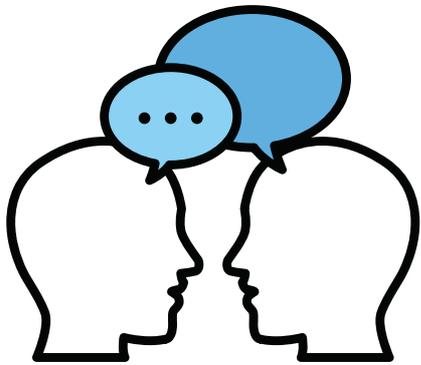

**You can make art with clay. This is called ceramics.**

**You can make art with fabric and threads. This is called textile art.**

You can also make digital art and take photos. You can do this with cameras, computers and iPads.

Please contact us if you want to join our online program.
