

The little things we fight for

Eden Menta | Photo 2024

10 Feb - 23 March 2024

In *The little things we fight for*, Eden Menta addresses the Photo 2024 thematic strand of Social Futures, exploring the intersections of queerness and neurodiversity through ideas around a sense of self and place in the contemporary landscape.

Drawing from deeply personal experiences, Menta unpacks the past and contemplates the present, teasing out what it means to belong - or not - as the case may be. By addressing these realities, Menta fights for a future that recognises the intersectionality of different identities and fosters safe, inclusive spaces to feel valued and supported.

Presented as a solo exhibition at the Arts Project Australia gallery in Collingwood Yards, *The little things we fight for* addresses universal tensions and ideas through Menta's intimate lens.

Arts Project Australia respectfully acknowledges the Wurundjeri people of the Kulin Nation, the traditional custodians of the land on which we meet, exhibit and create art.
