Notes to the Financial Statements

For the Year Ended 30 June 2024

The financial report covers Arts Project Australia Inc as an individual entity. Arts Project Australia Inc is a not-for-profit Incorporated Association in Victoria registered under the *Australian Charities and Not-for-profits Commission Act 2012*.

Comparatives are consistent with prior years, unless otherwise stated.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

1 Material Accounting Policy Information

(a) Significant accounting judgements, estimates and assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only the period or in the period of the revision and future periods if the revision affects both current and future periods.

Significant accounting judgements, estimates and assumptions are outlined in the notes below.

(b) Revenue

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

ABN: 99 804 795 393

Notes to the Financial Statements

For the Year Ended 30 June 2024

1 Material Accounting Policy Information

(b) Revenue

Revenue from contracts with customers

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Association are:

Grant revenue (including grants related to projects) is recognised in profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably. If performance obligations are attached to grant which must be fulfilled, the recognition of the grant revenue as revenue will be deferred until the fulfillment of those performance obligations.

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

Donations and bequests are recognised as revenue when received unless they require fulfilment of performance obligations, where they are carried forward as income in advance in the statement of financial position and recognised as revenue upon fulfilment of the performance obligations either at a point in time or over a period of time.

Revenue from sales of artworks is recognised at the point of sale where the control of the goods passes to the customer.

Fees charged for services provided to artists are recognised when services are provided.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax.

(c) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(d) Financial instruments

Financial instruments are made up of term deposits with a maturity of more than 3 months. Interest income is recognised in profit or loss. The term deposits are subject to an insignificant risk of change in value

ABN: 99 804 795 393

Notes to the Financial Statements

For the Year Ended 30 June 2024

1 Material Accounting Policy Information

(e) Leases

Right-of-use asset

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

Lease Liability

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Exceptions to lease accounting

The Association has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Association recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

(f) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

ABN: 99 804 795 393

Notes to the Financial Statements

For the Year Ended 30 June 2024

1 Material Accounting Policy Information

(f) Property, plant and equipment

Fixed asset class

Buildings

2.5%

Plant and Equipment

Depreciation rate

2.5%

10% - 33%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(g) Impairment of non-financial assets

At the end of each reporting period the Association determines whether there is an evidence of an impairment indicator for non-financial assets. Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated. Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

(h) Employee benefits

Provision is made for the entity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related services, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Association classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the service. Provision is made for the entity's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by referenced to market yields at the end of the reporting period on high quality government bonds that have maturity dates that approximate the term of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss.

From 1 January 2020, the Portable Long Service Scheme came into effect which had an impact on the Association's employees leave entitlements. The employees impacted by the act are no longer provided long service entitlements. The Association pay a levy to the Authority of 1.65% based on the employees' ordinary pay.

The Association pays contributions to certain accumulation superannuation plans. Contributions are recognised in the statement of comprehensive income when they are due. The Association has no obligation to pay further contributions to these plans.

ABN: 99 804 795 393

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Critical Accounting Estimates and Judgments

The Directors and management make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - long service leave

The provision for long service leave entitlements is derived from an assessment of relevant employee retention rates, future salary levels, inflation, and timing of payment.

Key estimates - Depreciable assets

The charge in respect of periodic depreciation is derived after determining an estimate of an assets useful life and expected residual value at the end of its life. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will bewritten off or written down.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

13 Reserves

(a) Retained Earnings

Retained earnings represents the funds of the Association that are not designated for particular purposes.

(b) Foundation Reserve

The board of APA adopted the Foundation Charter on 23 August 2021 and established the foundation on 8th March 2023 with the appointment of the acting chairperson and by way of a committee. The first year of the operation of the foundation was the year ended 30 June 2023.

Foundation income and expenses represent donations from APA donors, both individual and philanthropic bodies, and the directly attributed expenses including marketing resources and fund raising costs. These amounts are recognised in profit and loss as derived.

Transfers to and from accumulated surplus and the foundation reserve are resolved based the financial requirements of the entity.

ABN: 99 804 795 393

Notes to the Financial Statements

For the Year Ended 30 June 2024

14 Key Management Personnel Remuneration

The total remuneration paid to key management personnel of the Association was \$535,867 (2023: \$735,386).

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Arts Project Australia Inc, which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the responsible entities' declaration.

In our opinion the financial report of Arts Project Australia Inc has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of Arts Project Australia Inc's financial position as at 30 June 2024 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosures and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Registered Entity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Responsible Entities for the Financial Report

The responsible persons of the Registered Entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Simplified Disclosures and the ACNC Act, and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible persons are responsible for assessing Arts Project Australia Inc's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate Arts Project Australia Inc or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Registered Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

Independent Audit Report to the members of Arts Project Australia Inc

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
 to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher
 than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
 or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Registered Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the responsible entities.
- Conclude on the appropriateness of the responsible entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Arts Project Australia Inc's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Arts Project Australia Inc to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and
 whether the financial report represents the underlying transactions and events in a manner that achieves fair
 presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
